Dear Interdistrict Applicant,

We are in receipt of your request to attend a school outside Western Placer Unified School District. In our experience, we find applicants are often unaware of the many quality programs available at Lincoln High School and how the school is able to uniquely serve each student. Lincoln High recently received the Distinguished School Award and was selected as only one of six recipients of the Career Technical Education Award for the state of California. We are excited to extend an invitation for you to visit Lincoln High School to explore the many quality programs the school offers. A visitation will need to be completed prior to consideration of your interdistrict transfer.

To arrange a visit, please call Lincoln High School at 916.645.6360. After visiting the school, should you wish to proceed with the application process please bring this letter signed by a school official to the District Office (600 Sixth Street, Suite 400, Lincoln, CA) to continue the interdistrict process.

We look forward to serving your student,

Scott Leaman
